Your 1992 Ford Taurus is painted at the factory with a high quality basecoat/clearcoat system. This two-step paint system consists of step one, the basecoat, which is your car's actual color, and step two, the clearcoat, the specially formulated clear paint that protects the base color and provides the luster and deep shine your vehicle came with when new.

An all-new Chevrolet Malibu debuted last year with dramatically improved efficiency and more interior space. For buyers who want even more stretch-out room, Chevy offers the Impala, a large sedan in the traditional American mold.. Is the spacious Impala worth the extra investment, or does the midsize Malibu deliver everything most buyers need?

The Ford Taurus has been in production since 1986, but that might come to a screeching halt soon. Sales have failed to impress as of late, and according to Automotive News, July sales plummeted 28 percent compared to the same time last year. This is due to a number of reasons, but the two that stand out most are shoppers' love affair with the crossover and Ford's other sedan, the well-rounded ...
