Advertising the American Dream: Making Way for Modernity ...

Summary: Advertising the American Dream. Using close readings of the advertisements themselves as well as extensive information on the marketing and advertising industries, Roland Marchand argues that the advertisers of the 1920s and 1930s worked both as "apostles of modernity" and as advice-givers about the problems of modernity.

Marchand, Advertising the American Dream

Advertising the American Dream is a book by Roland Marchand discussing three major topics: advertising as an industry and the people who made this possible, advertising as it found its place in society, and the effect that the Great Depression had on society and consumers. "The American advertising man of the 1920's was the most modern of men.
