There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Afterburn Zane

Afterburn is a hot, romantic love story as only Zane could do it. My only warning is that you should be careful not to hope too much for a happy ending, because you can't always get what you want.
