International Arbitration - Mayer Brown

Abstract. This is a short essay introducing the reader to arbitration. Designed for general practitioners and non-lawyers, the essay includes sections on: The advantages of arbitration over litigation: speed, cost, and informality. Concerns about arbitration, especially arbitration agreements drafted by a party with overwhelming bargaining power and imposed upon a much weaker party (such as an employee or consumer).

An Introduction to Arbitration by Richard A. Bales :: SSRN

Arbitration is a method of dispute resolution that provides a final and binding outcome. Generally regarded as an alternative to court litigation, the existence of a valid agreement to arbitrate should mean that state courts refuse to hear disputes falling within the scope of that agreement.

Introduction to International Arbitration | Quickguides ...

The Arbitration and Conciliation act 1996 states that “it is an act to consolidate and amend the law relating to domestic arbitration, international commercial arbitration and enforcement of foreign arbitral awards as also to define the law relating to conciliation and for matters connected therewith or incidental thereto”.

Introduction to Arbitration and Conciliation Act

Arbitration is a method of resolving disputes outside of court. Parties refer their disputes to an arbitrator who reviews the evidence, listens to the parties, and then makes a decision. The arbitration process is less formal than a courtroom hearing or trial (and often less expensive), but more formal than mediation or negotiation.

Introduction to the ALI Restatement on ... - Mayer Brown

INTRODUCTION. Almost every arbitration is based upon an agreement to arbitrate. 1 Comprised within an arbitration clause in a main contract 2 or in a separate document, 3 it reflects the parties’ consent and consequent obligation to arbitrate their disputes. 4 While the jurisdiction of the courts emanates from statute or a choice of court agreement, 5 the arbitration tribunal’s jurisdiction and the arbitrator’s power stems primarily from the arbitration agreement. 6 The widespread ...

Separability in international commercial arbitration ...

By advocating the notion that international arbitration is a legal order in itself, or is the judicial system of the *societas mercatorum*, one invites the courts of the country in which the recognition of an award is sought to consider the award in itself, as a product of the allegedly universal legal order
