But Jeff VanderMeer is not interested in putting his readers at ease. With *Annihilation*--the first volume of *The Southern Reach Trilogy*--he carefully creates a yearning for answers, then boldly denies them, reminding us that being too eager to know too much can be dangerous. The story follows an expedition of four women who are known only by their professions: the Psychologist, the Surveyor, the Anthropologist, and the Biologist--nameless pawns tasked with exploring, discovering, and ...

Annihilation is profound literary sci-fi that doesn't fit any formula. So a lot of people looking for the same old story might not find it here, but that doesn't mean this isn't an amazing series. It will blur your sense of reality and make you question the alien nature of language itself." — Michael D., Audible Editor
