Cancer Vixen: A True Story (Pantheon Graphic Library ...

Cancer Vixen tells the story of what happens next, and how her inner circle— stylists, gossip columnists, shoe designers and assorted others you'd only find in New York City, rallies round to help her beat the disease and get married on time and in high style. Marchetto wears her best high heels to chemotherapy and remarks on the similarities between her hospital gown and Diane von Furstenberg designs.

Cancer Vixen: A True Story - Kogan.com

It is the true story of the author's experience with breast cancer but it includes her love life and her relationship with her mother so it is gripping and hilarious (not just technical). It's the kind of book that makes you feel good about yourself as a gutsy brave person who can tackle breast cancer (as the author has done).
