China Motor Cycle Repairing In

China ATVs are very much like Japan made ATVs but are actually more simplistic in design. The engine parts are generally easier to access, and they follow the same basic design. While you will see a few 2 stroke ATVs, for our purposes, we will be discussing the 4 stroke engine ATVs as they are for more popular.

Many ask for advice and one of the most common questions is "Can I use Super or Crazy Glues to fix my broken ceramic or sculpture? How do I choose? It's so much easier than 2-part epoxies!" There is a misunderstanding about the difference between super glues and epoxy and they are therefore sometimes used interchangeably but, super glues and epoxy adhesives are different and have specific ...
