In my experience,
Comparative
Government and
Politics is by far the
best stand-alone text
in this area. It is
thorough and unlike
the many other texts in

the field, it focuses, in
very interesting and
engaging sections,
primarily upon the
dynamics of a broad
range of comparative
political phenomena as
they apply to real-
world politics.

A legitimate system of government is one based on authority: that is, those subject to its rule recognize its right to make decisions. State is a political community formed by a territorial population subject to one government.

Difference state and government: The state creates a mandate for rule which the
