Peacebuilding and the Decolonial Future | ReliefWeb

Conflict transformation begins with a central goal: to build constructive change out of the energy created by conflict. By focusing this energy on the underlying relationships and social structures, constructive changes can be brought about. The key here is to move conflict away from destructive processes and toward constructive ones.

Conflict Transformation and Peacebuilding - Taylor & Francis

"Suicide Through a Peacebuilding Lens transcends the "traditional" explorations in the field of Peace and Conflict Studies. In an original move, carefully argued and empirically grounded, Standish shows us how an exploration of suicide through a peacebuilding lens does not merely address another lacuna in the field.
