It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

How To Pass The Crane Operator Certification Practical Exam

A month ago our Hand-Me-Down Rigging post discussed the need for actual training versus having riggers being taught by their co-workers. As part of that article, we invited readers to take a 5-question rigging quiz. This simple quiz was adapted from Crane Tech's Qualified Rigger Level 1 curriculum with questions that we consider every rigger should be able to answer fairly easily.
