Discourse Theory And Political Analysis/ Edited by David R ...

In terms of political discourse theory, events are social texts. They can be read as language including words, of course, what people say about each other and their condition, but also as signs, symbols, rhetoric —as semiotics. Discourse theory addresses the problem of how best precisely to read events.

Discourse Theory - an overview | ScienceDirect Topics

Analysing Political Discourse is a must for anyone interested in the way language is used in the world of politics. Invoking Aristotle's idea that we are all political animals, able to use language to pursue our own ends, the book uses the theoretical framework of linguistics

Discourse Theory and Political Analysis: Identities ...

Foucauldian discourse analysis, like much of critical theory, is often used in politically oriented studies. It is preferred by scholars who criticize more traditional forms of discourse analysis as failing to account for the political implications of discourse.

Foucauldian discourse analysis - Wikipedia

OVERVIEW OF DISCOURSE THEORY Variations on the theme of discourse theory can be found in the disciplines of anthropology, communication, linguistics, literary studies, political science, social psychology, and sociology, as well as in interdisciplinary fields such as cultural studies.

Karlberg - Discourse Theory

Political discourse analysis is a field of discourse analysis which focuses on discourse in political forums (such as debates, speeches, and hearings) as the phenomenon of interest. Policy analysis requires discourse analysis to be effective from the post-positivist perspective.

Discourse analysis - Wikipedia

Discourse analysis is a method that can be applied both to large volumes of material and to smaller samples, depending on the aims and timescale of your research. You want to study how a particular regime change from dictatorship to democracy has affected the public relations rhetoric of businesses in the country.

Discourse Analysis | A Step-by-Step Guide with Examples

In other words, discourse theory is concerned with questions of power, and often with questions of institutional hierarchies. In discourse theory, such hierarchies lead to domination and resistance, for example when different people try to assert who should speak with authority on issues of health policy.

Getting the Hang of Discourse Theory - PoliticsEastAsia.com

This article argues that 'post-Marxist' or 'poststructuralist discourse theory' represents a complex deconstruction of the Marxist tradition of social and political theory. Focussing on three ontological positions in Marx's texts – the ontologies of human alienation, praxis, and production – the article shows how this approach repeats and transforms the rich tradition of Marxist thinking so as to elaborate a novel approach to social and political analysis.
