101 Best Things To Do When You're Stuck At Home

The more familiar you are with the recipient, even if you know each other only through email exchanges, the better this works. In my opinion, the most important rule of email communication is this: don't force it. If you're trying too hard to be personable or clever, your recipient will almost always see through your attempts.

5 Ways to Write "I Hope You Are Doing Well" in Email ...

Because there IS such a thing as the devil, that's why we have to spread the light. Take a look at the Cerne Tunnel Satanic Ritual opening ceremony on Youtube; they thought of doing it, supposedly, because Saturn was at it's closest point to the Sun on June 1st 2016 and because of the ancient myth of the mountains—at least that's why they THINK they did it!
