Eon The Way 1 Greg

I'm an admitted Greg Bear fan. I really liked Moving Mars and also Darwin's Radio and they are among my favorites by him to this day. Eon is one of those "asteroid hurtling toward Earth" books. There was a cluster of these types of books in the late 70's and throughout the 80's. Eon tells the story of one such asteroid, but this one has a twist.
