The Ex-Lover series gives outstanding performances with remarkable photo top quality and also dazzling, brilliant shades.

### **Epson EX3220 Software & Driver Download, Quick Setup**

The Epson 2045 has bluetooth, miracast, wifi, and even performs well in ambient light. If you buy this EX5240 and decide you need the wireless function, you have to spend an extra \$100 for the wireless adaptor. It seems silly to me that anyone would buy this projector when Epson has something else far more superior for about the same price.
