The original which I have had apart numerous times and cant find anything wrong. I also have a brand new one with manual choke setup. It wouldn't run with manual choke so I decided I was going to borrow another eton 90 just like this one to change parts until I found my problem. The first thing I changed was the carb and it ran I rode it around ...

### Cant keep Eton 90 running [Archive] - ATV Riders Forum

My oldest son had an Eton Viper 150 (manual choke) that he outgrew and we left this setting in a garage for a number of years. After my youngest boy showed interest I tried to get the thing running again, but the carb just would not allow it.
