Fish and Ghosts by Rhys Ford is a fun comical paranormal romance. This isn't the type of story I would usually read, I like paranormal if it's shifters and vampires but I haven't ever read a story with ghosts in it before, I was impressed and not only enjoyed the story in written form but I listened to it in audio as well on my commute to work.

The characters of Tristan and Wolf carry over from the previous book, "Fish and Ghosts (Hellsinger Book 1)" and continue their relationship. Tristan is one of my all-time favorite characters. Artistic and a bit delicate, though strong in spirit, he has grown up largely alone in an old mansion, with just an aged uncle and many ghosts for company.
