SEN, Amartya - GLOBAL SOCIAL THEORY

Amartya Sen's Idea of Food Security Amartya Sen, the Nobel Prize winning economist and considered the leading social scientist in the world today, has been advocating for decades that economic growth, rise in GDP and income are only a means not the ends of development. He first clearly laid out these views in his essay: How is India Doing?

GROUND REPORT INDIA: Amartya Sen's Idea of Food Security

Amartya Sen's Development as Freedom has been widely praised as a way forward for a more humane society since it was published a decade ago in 1999, the year after its author won the Bank of Sweden prize in economics (otherwise known as the Nobel Prize for economics). To many, it is the standard for ethical economics, so much so that one critic laments 'until now the issue of ethics and economics, especially in the context of development, has been dominated by Amartya Sen, almost to the ...

Amartya Kumar Sen (CH; Bengali pronunciation: ['ɔ̃mɔrtːo 'ʃen]; born 3 November 1933) is an Indian economist, who since 1972 has taught and worked in the United Kingdom and the United States. Sen has made contributions to welfare economics, social choice theory, economic and social justice, economic theories of famines, decision theory, development economics, public health, and measures of ...

Amartya Sen - Wikipedia

Amartya Sen has been assailed as having written a piece of liberal utopian propaganda, but he does have a valid argument that democracy does have a preventive place in human suffering noting that famines have never occurred within a democracy and states that give women the chance to earn their own livelihood are stronger than those that aren't.

Nussbaum's extension of Prof. Sen's theory. Composed: September 26, 2001; Revised January 2003. Minor Format Revision: August 2005

Amartya Sen's Ethics of Substantial Freedom

Along with coauthor Jean Drèze, Sen, though no strong believer in economic freedom, defended this standard economist's view and argued mildly against price controls on food because such controls would reduce the amount of food produced. Sen was a moderate defender of free market s who sometimes put the moderate case brilliantly.

Amartya Sen - Econlib

Looking at population growth and food supply, Sen counters doomsday predictions of imminent food shortage. And he points out that Kerala has

been more successful than China in limiting population growth, suggesting that China might have done nearly as well without the use of coercion.

Development as Freedom (Amartya Sen) - book review

In *Development as Freedom* Amartya Sen quotes the eighteenth century poet William Cowper on freedom: Freedom has a thousand charms to show, That slaves howe'er contented, never know. Sen explains how in a world of unprecedented increase in overall opulence, millions of people living in rich and poor countries are still unfree. Even if they are not technically slaves, they are denied elementary ...
