Ebooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading.

Genitourinary Imaging Case Review 3e
This case review book was a purchase intended to study GU cases for the ABR Diagnostic Radiology recertification exam, and was well worth it. PROS: 1. The image quality was excellent, including very high quality CT and MRI images for a vast majority of the cases. There were a small number of cases with IVP and ultrasound images as well.
