Hey all, need some help with a petcock on a 2005 883c. I just did a conversion from 883 to 1250. I'm going to change the petcock from vacuum to manual. I know I have to plug the vacuum line but what do I do with the fuel supply on the right side of the tank? On a manual petcock the fuel line runs from the bottom of the petcock to the carb.
