My 21mo loves trucks. I realized he also likes stickers. This book combines both. The book reviews colors and truck types. The best part is that it's a finished book when done with the stickers. I have to help my son place the stickers down but he loves it. He even flips to the stickers just to look at the trucks and pick out the sticker to place down.

### **First 100 Stickers: Trucks and Things That Go: Sticker ...**

The pages are made so that stickers stick. This is nothing like the book I had when I was an 80s kid, where the stickers were literally pull off, place on, pull off, re-use. Nope. Neither the stickers nor the scenery qualifies. That said, the stickers are pretty amazing - They really are nice.
