In Search Of The Physical

In Search of the Physical Traces of the Two Destructions of Jerusalem. July 31 2020. Not only have archaeologists uncovered ample evidence of the sacking of the ancient Jewish capital by the Romans in 70 CE, which led to the razing of the Second Temple, they have also found signs of a catastrophe that struck the city some 600 years earlier—when the Babylonians destroyed the First Temple along with the rest of Jerusalem.

Ah, the word 'search' is typically a noun! But then, idiomatically, it can be used as a 'verb'. The American Heritage Idioms Dictionary defines it:.. Looking for, seeking, as in They went to California in search of gold, or I went to the library in quest of a quiet place to read.. On the other hand, in search for is possible but it's probably used in headlines or in the context where the 'search ...
