In the discipline of International Relations (IR), realism is a school of thought that emphasises the competitive and conflictual side of international relations. Realism's roots are often said to be found in some of humankind's earliest historical writings, particularly Thucydides' history of the Peloponnesian War, which raged between 431 and 404 BCE.

Introducing Realism in International Relations Theory

Pluralism and Realism. Realism. Realism is simply the opposite of nihilism -- it holds that it makes sense to speak of such things as obligations, and right actions, and that such talk connects with a significant aspect of reality. Moral obligations are not myths, they are not just symbols, they are not merely verbal expressions, and they are not just different types of psychological delusions.
