Of course, it's important to remain professional and confident in an interview, but if you and the company's culture are polar opposites, it's better to know sooner than later. Don't get down.

Nailed the Interview but Didn't Get the Job? Here's Why

If there's one thing that drives people crazy when applying to jobs, it's the uncertainty. Of course, you always want to get a job offer, but if recruiters give you prompt feedback on your application status — even if it's negative — you can generally deal with it pretty well. Those days after an interview where you aren't quite sure where you stand, though, can be simply maddening — especially if you feel like you did a pretty good job.

9 Signs You Nailed the Interview | Glassdoor

You should spend the time leading up to your interview learning as much as you can about the company you're applying to, from the company's culture to the interview questions that are likely to be asked.
