For more complete instructions regarding safety, maintenance and operation of the items used in the manufacturing of your new Aviator, carefully read the booklets supplied by the component manufacturers, or refer to your supplied SD Card.

Owner's Manual - Forest River

Used the MicroMonitor trouble shooting guide (attached) and hit a wall. So I called Terry at KIB Enterprises (KIB Enterprises - Excellence in Electronics) and we went through all the steps to eliminate the MicroMonitor and its components one more time. What was really interesting was the way the system lights the lights.
