Barriers to Entry. There are two types of monopoly, based on the kinds of barriers to entry they exploit. One is legal monopoly, where laws prohibit (or severely limit) competition. The other is natural monopoly, where the barriers to entry are something other than legal prohibition. Legal Monopoly. For some products, the government erects barriers to entry by prohibiting or limiting competition.

How Monopolies Form: Barriers to Entry | Microeconomics

These notes are prepared for the Microeconomic courses I teach at the Warsaw School of Economics. They are aimed to serve as a supplementary material for Microeconomic course at the introductory or intermediate level. The material covers canonical first level microeconomic topics including: consumer and producer choice, as well as
