I have been working with the Gammill/Statler computerized quilting machine since 2001 and my wife has been quilting 1998. Our goal is to assist you in completing your quilt using patterns that are complimentary to the quilt pattern and fabrics you have chosen.

Longarm Quilting Service

Using a 3x12" straight-line long-arm quilting ruler to keep their lines perfect, Handi Quilter studio educators Vicki Hoth and Marie Eldredge stitched pairs of concentric lines behind the pinwheels so the pinwheels look like spinning fan blades. While most of the quilting was done in white thread, coral thread was used in some areas for contrast.

Free Machine Quilting Designs | AllPeopleQuilt.com

I began quilting on my home sewing machine before I purchased a Longarm and once I became comfortable with sewing straight lines I moved to using my darning foot with the feed dogs recessed. Once I became successful with organic images I was ready for a Longarm. When quilting at home there are a number of ways to approach quilting your pieced top.

Quilting Designs: How to Choose the Right One | Connecting ...

A pantograph is a 12' long paper quilting design used primarily for mid/long arm quilting. The longarm user follows the line on the paper with a laser light that is attached to the machine. Pantograph designs can be anywhere from 5'

Long Arm Pantograph Patterns | Free Patterns

Using a longarm feels a lot like doodling with a big pencil only you are using thread and not lead. Oh, and instead of paper you are doodling on fabric. There are some designs that are perfect for beginners to get their sea legs and become accustomed to longarm machine quilting.
