1987 FIAT X1-9 GRAN FINALE - Collecting Cars

The X1/9 was created as the replacement of the Fiat 850 Spider member of the Fiat 850 family. These cars took their design cues from the Fiat 500 and 600 having a rear engine layout, but for the sporting replacement it was decided that this new model would need something to set it apart not only from its predecessor, but also from the sports cars it had to compete with such as those produced by the British.
