If it is just a medical disease, people probably don't think that spirituality, and the lack of it, has to do with their depression. You have a new book out, Mental Wellness: A Spiritual Journey. In it, you say that spirituality has a lot to do with depression and healing from it. Hamdy: It is not really my personal opinion. It is based on work done in past 20-25 years where doctors started recognizing that there is a powerful relationship between health and religion.

A family member purchased "Mental Wellness : A Spiritual Journey" by Hamdy El-Rayes and sent it to me, so I worked it into my reading queue. And I will admit, I was a bit reluctant going in. I did, however, discover some profound case studies and beneficial points of interest for those seeking advice dealing with depression and anxiety.

The spiritual journey of healing begins by listening to our inner voice and opening the door of revelation of our truth. It's never too late to challenge previous fearful inquiries, doubting our unworthiness, doubting we are lovable, all that has prevented us from living a life of ease and joy; we but need to ask and it will come in to us.
