### **Mysticism A Study In The**

Mysticism is the most important and fundamental part of any religion. It has nothing to do with magic or the occult. It has everything to do with working one's way towards the reality behind this world of appearances and illusion. Mysticism is at the heart of all the great religions: Buddhism, Islam, Christianity, Hinduism, etc.

### **Mysticism Books - Goodreads**

Moderate mysticism is intellectual in nature. It is an attempt to understand God and God's world, and ultimately affect and change the divine realm. This type of mysticism incorporates many aspects of traditional Judaism, including Torah study and the performance of the commandments, infusing these activities with mystical significance.
