Mythology A Teaching Unit Answers

Most elementary and junior high school children find that mythology is one of their favorite units in school. It can be fascinating to learn about Zeus and Jupiter and their expansive families. Of course mythology isn't limited to the Greeks and Romans. Mythology can refer to folklore in any country. Myths are usually stories that are about a god or supernatural human.

Myths are stories that give people a relationship with the universe, the passing of time, and with their environment. Some myths give the official view of creation, others are a way to explain natural events. Myths were passed on by spoken word, and their function was to explain, to teach lessons, and to entertain.
