Don't fall into that trap. Don't give yourself an out by checking your email for an excuse to fail. Don't check your email if you're looking for a way out of the task at hand - acknowledge the task you need to get done, and do it. Cross that bridge - it's not going away.

7 Reasons You Should Never Check Email First Thing In The ...

You've heard the conventional wisdom: never check email in the morning. That sounds great, unless your job involves communicating with people, or if you happen to care about what people have to say to you. In either of those cases, you very well might want (or need!) to see what's happened overnight just as you sit down to work.
