Read Book

Political

Philosophy: What

Political philosophy generates visions of the good social life: of what ought to be the ruling set of values and institutions that combine men and women together. The subject matter is broad and connects readily with various branches and sub-disciplines of philosophy including philosophy of law and of economics.

Philosophy: What

is it and why it matters

His political philosophy is chiefly concerned with the way in which government must be organized in order to avoid civil war. It therefore encompasses a view of the typical causes of civil war, all of which are represented in *Behemoth; or, The Long Parliament* (1679), his history of the English Civil Wars.
