Right to Privacy and Freedom of Expression as two sides of same coin. Article 19 (i) (a) enshrined in the Constitution of Indian empowers its citizen to have freedom of speech and expression as a basic fundamental right.

The Freedom of Speech and Privacy in the Press and Media ...

The right to privacy is more important than the freedom of the press. Freedom of the press is absolutely warranted on the condition that the reporting is done within the public realm. The right to privacy should be respected and reporters should be restrained from invading a person or institution's private space in order to write an article.
