Enlightenment - Oxford Scholarship

As he describes it, Radical Enlightenment is the system of ideas that, historically, has principally shaped the Western World's most basic social and cultural values in the post-Christian age. This in itself lends the history of the movement great importance.

The "Radical
Enlightenment"

promoted the concept
of separating church
and state, an idea that
is often credited to
English philosopher
John Locke
(1632–1704).

According to his
principle of the social
contract , Locke said
that the government
