For the last forty years, law and policy on suicide have followed two separate and distinct tracks: laws aimed at preventing suicide and, increasingly, laws aimed at facilitating it. In Rational Suicide, Irrational Laws legal scholar Susan Stefan argues that these laws co-exist because they are based on two radically disparate conceptions of the would-be suicide. This is the first book that unifies policies and laws, including constitutional law, criminal law, malpractice law, and civil ...

As the author of a recent book analyzing law and policy related to suicide (Rational Suicide, Irrational Laws: Examining Current Approaches to Suicide in Policy and Law; Oxford University Press), I read Lesley McAllister's story knowing that I could not possibly understand the choices she faces. From both a personal and policy perspective, I agree that these are and should be her choices.
