perform a wide range of heat-treating services from its headquarters located in Houston Texas. Lone Star has been at the forefront of technology and new processes since 1945 and was the first commercial heat-treating company in the USA to gain ISO accreditation in 1993.

LONE STAR HEAT TREATING

This book is the second book in Debra White Smith's "Lone Star Intrigue" series, however, it totally stands alone. You won't be wondering about what happened before with any of the characters because this story is a story all to itself. If you're like me, though, you're going to want to run out and get the first book, "Texas Heat".
