The Aristocratic Families in Early Imperial China: A Case ...

The aristocracy is a social class that a particular society considers its highest order. In many states, the aristocracy included the upper class of people with hereditary rank and titles. In some, such as ancient Greece, Rome, and India, aristocratic status came from belonging to a military caste. It has also been common, notably in African societies, for aristocrats to belong to priestly dynasties. Aristocratic status can involve feudal or legal privileges. They are usually below only the mona

Aristocracy (class) - Wikipedia

Description. Many of the early settlers came from the West Midlands in England, although the Maryland families were composed of a variety of European nationalities, e.g. French, Irish, Welsh, Scottish, Swedish, in addition to English.. Maryland was uniquely created as a colony for Catholic aristocracy and gentry, but Anglicanism eventually came to dominate, partly through influence from ...

The House of Guttenberg was a prominent noble family during the time of the Holy Roman Empire. Originally called Blassenberg (or Plassenberg) they hailed from the Franconian region in Germany, adopting their new moniker after the Guttenberg municipality in the early 14th century. The Plassenberg family were not conventional aristocrats.

Famous Aristocratic Families of Medieval Europe | Nobility ...

Contributions to this volume interrogate the definitions and meanings of the term 'family' in the past, showing how the family was a locus for power and authority, as well as personal or subjective identity, and exploring how expectations as well as realities of family behaviour could be shaped by ideas of childhood, youth, adulthood and old age.

The Aristocratic Families In Early Imperial China A Case ...

From the early 12th century, only family lands traceable back to a grant made by Stephen I could be inherited by the deceased owner's distant relatives; other estates escheated to the Crown if their owner did not have offspring and brothers. Aristocratic families held their inherited domains in common for generations before the 13th century.
