The Complete Guide to Stretching - libertybooks.com

When is the best time to stretch? A lot of people ask me if they should stretch before a workout. It's fine to stretch pre-workout gently (your muscles are cold), but I usually do more dynamic stretches or warm-up movements to prepare for my workout, things like hip swings, arm circles, and bodyweight movements that aren't at my full max potential - for example, holding plank, doing body ...
