The Healthcare Fix Universal Insurance

The fix, according to Kotlikoff is to scrap the two federal programs and replace them with universal health adjusted medical insurance vouchers. A young healthy individual would receive a small voucher say \$5000 per year while an older less healthy individual would get a voucher of say \$50,000 to buy a full private insurance policy.

The Healthcare Fix: Universal Insurance for All Americans ...

A simple, straightforward, and foolproof proposal for universal health insurance from a noted economist. The shocking statistic is that forty-seven million Americans have no health insurance. When uninsured Americans go to the emergency room for treatment, however, they do receive care, and a bill.

The Healthcare Fix: Universal Insurance for All Americans ...

A simple, straightforward, and foolproof proposal for universal health insurance from a noted economist. The shocking statistic is that forty-seven million Americans have no health insurance. When uninsured Americans go to the emergency room for treatment, however, they do receive care, and a bill. Many hospitals now require uninsured patients to put their treatment on a credit card which can saddle a low-income household with unpayably high balances that can lead to personal bankruptcy.
