The Internationalization of Japan provides the English-speaking reader with the opportunity to hear what some of Japan's leading social scientists and other commentators have to say about the internationalization of their country as well as their country's impact overseas.The topic is of extreme importance now as the international community demands a greater Japanese contribution to ...

### The Internationalization of Japan - 1st Edition - Glenn D ...

In Japan, internationalization of higher education has become widely accepted as a key factor to face the challenges of globalization. Since the 1980s, the Japanese government has pushed to improve the quality of education in Japan by hosting more international students and developing student exchange programs.

### Internationalization | 国際化 Education in Japan

Internationalization in Japan is very much dictated on Japanese terms. Which kind of defeats the point. The attitudes to internationalization in Japan can be perfectly summed up by a now infamous photograph of a sign taken a few years ago: "International Club. No Foreigners Allowed".

### Are Japan's efforts at internationalization succeeding or ...

Educational Studies in Japan: International Yearbook No. 12, March, 2018. pp. 49-59 Ryoko Tsuneyoshi\* This paper focuses on the rhetoric surrounding "internationalization" in Japanese education. Internationalization is now used both in scholarly circles and in the media. Since discussions of internationalization are accompanied by

The good news is that the sleeping giant that is Japan Inc. has begun to awaken. There's an uptick in international mergers and acquisitions, a new sense of urgency in boardroom discussions, and a few bold moves by Japan's more progressive companies to use English as a global corporate language and to recruit talented non-Japanese executives.
