## Read Online The Mysterious

Benedict Society is the story of four gifted kids, all orphans age 12 and under, who are recruited and then trained by Mr. Benedict and sent to a remote boarding school to learn more about an evil mastermind bent on taking over the world. There's little violence beyond some mild fistfighting and a near kidnapping, where perpetrators are knocked out with a

Each member of the Mysterious Benedict Society brings with them particular skills and attributes, and when they cooperate and work together, they succeed. It is not readily apparent to the children at the beginning of the story that they are all pieces of a whole that collectively provides all the elements necessary to complete
