lecture i religion and neurology introduction: the course is not anthropological, but deals with personal documents— questions of fact and questions of value— in point of fact, the religious are often neurotic— criticism of medical materialism, which condemns religion on that account— theory that religion has a sexual origin refuted— all states of

The Varieties of Religious Experience

The Varieties of Religious Experience (1902) by William James, a psychologist and philosopher who taught at Harvard, contains, in edited form, a series of natural theology lectures called the Gifford Lectures which he delivered at the University of Edinburgh in the two years leading up to its publication. The lectures argue about the nature of religion and the tendency of modern religious studies to ignore the importance of science in their research.

The Varieties of Religious Experience Summary | SuperSummary

The Varieties of Religious Experience. William James. 1900 to 1902. University of Edinburgh. In his opening lecture, James describes the methodology of his study. He explains that it would be of little benefit to base the research on common individuals who have confined religious experiences and imitate traditions which have been passed on to them. Instead, he chooses to focus the study on 'religious geniuses'.
