Chapter 5: Toward A Contemporary Christian Theology Of Fasting. This chapter will suggest an integrative theological approach to fasting that is based on the scriptural and historical insights studied so far. These will first be set in the context of the renewal of fasting practices in certain Christian traditions,

which seeks to investigate, in the light of Christian faith, the significance of the plurality of religious traditions in God's plan for humanity. Aware of the potential problems in this approach, the author does not conceal the possibility that his hypothesis may raise as many questions as it seeks to answer.
