If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read.

## Visualizing Technology Complete

Visualizing Technology is a highly visual, engaging computer concepts textbook. Unlike other textbooks, Visualizing Technology does not include pages full of long paragraphs. Instead, important topics are presented in the way students are hardwired to think--with smaller sections of text, creative use of images for easier understanding, and chapters that are organized as articles with catchy headlines.
