Why Kids Lie How Parents

Why kids lie Most parents think children lie to get something they want, avoid a consequence or get out of something they don't want to do. These are common motivations, but there are also some less obvious reasons why kids might not tell the truth — or at least the whole truth. To test out a new behavior

of them for something they did (or didn't do). And finally, kids always want a reaction, so...

Why kids lie, and 7 ways to get them to tell the truth

Similar to the way an adult may lie to avoid getting into trouble with a boss, kids often lie to avoid negative consequences. If you catch your child in a lie, offer one chance to tell the truth. Say, "I'm going to give you a minute to think about it and then I'm going to ask you one more time what really happened."

3 Common Reasons Why Kids Lie (and How You Should Respond)

Kids Lie to Individuate From Their Parents. Sometimes kids use lying as a way to keep part of their lives separate from their parents. In psychology, we call this individuation, and it's quite normal. At times it may even seem that they make up needless lies about things that seem trivial. It can be baffling to parents.

How to Deal with Lying in Children and Teens - Why Kids Lie
