Knowing the "Why" simply means understanding why you are doing something before you do it. Some will refer to the "why" as the "guiding principle" or the "primary objective". They all mean the same...

The importance of knowing "Why?"

Most of us got into what we do because we one, like it, or two, are good at it. We generally know what we want and need, as well as what we hope to achieve. The irony is, the further you travel down that path of accomplishment, whatever it may be, the more often you meet people whose success will stagger you and make you feel insignificant.
